This topographic map depicts the Mantua Reservoir and its immediate surroundings. The reservoir is a large, irregularly shaped body of water, colored in light blue, with several smaller ponds and streams branching off from it. A prominent red line, likely a boundary or easement, runs along the northern and eastern shores of the reservoir. The map is divided into numbered sections (13-28) and features several pink circles labeled 'HW'. The surrounding land is shown with contour lines and green shading, indicating varying elevations. Key locations labeled include 'MANTUA' and 'HILLSBOROUGH'. A road labeled 'DUCK POND' is visible on the right side of the map. The map also shows a road labeled 'HILLSBOROUGH' at the bottom. The overall layout suggests a detailed land management or planning document.
